Omschrijving

This property is located in a residential area close to the center of Lagos.

This villa is spread over 2 stories. Upon entering the home there is an entrance hall with a bathroom, office space, spacious living room with a closed wood fireplace, dining area, kitchen, and access to the outdoor barbecue area. The staircase will take you up to the first floor, at the end of the hall there is terrace access. All three bedrooms and an additional bathroom are also on the first floor. The primary bedroom has an ensuite and large closet space. All bedrooms have access to balconies.

This property features a spacious private driveway that is able to accommodate two vehicles and garage. It has ample potential with its proximity to the center as a large family home or a holiday rental.

This is a great investment opportunity.
